JANUARY 2022

## Letter from the Editor

Hello – Happy New Year – 2022 a year to be optimistic (I've decided).

My number one resolution is to be optimistic; I have a pretty good success rate in keeping my NY resolutions, including running a marathon, learning the ukulele, completing a triathlon, a year of saying yes to everything but this one is going to test me, it means I'll be fighting my natural state of pessimism and low mood. Fortunately for me this is balanced out by my self-confidence and the self-belief that everything I say fascinating (think Gyles Brandreth but without the interesting anecdotes).

So, with this optimism I'm going to say we **WILL** be digging this year, there I've said it. If you write something down, you're much more likely to achieve it. It will happen now....

A full list of dates and speakers is below with the first one of the year being on Monday 10th Jan via Zoom 19.30, Tom Cromwell is giving us a talk on Excavations at Marble Hill, the joining instructions will be sent out before Monday – see you there!

## WEAG Christmas social 2021

### THE HAPPY RETURN!

On 6th December we at last all got to meet up again at Woodford County High School for our Christmas social. In total 21 members attended and all the old WEAG favourites were there, the second hand book stall, wine and soft drinks as well as a fine buffet and nibbles including some lovely cheeses and a very tasty homemade olive bread. This was also the first opportunity for many members to see and purchase Norah's new book ("The history of the Old Copped Hall from 1258 to 1748" by Norah Carlin) which has had rave reviews from all who have read it (buy your copy now!) we also had takers for four of our earlier publications. Allestree Fisher gave us a fascinating short talk. The highlight was as ever to meet with old friends in a friendly and relaxed atmosphere. The conversation often did not take long to return to the subject of archaeology and what WEAG might do next, among the many ideas discussed was the possibility of resuming Post-Ex work on the Copped Hall finds and paper work early in the New Year circumstances permitting. Pete Lovell raised the possibility of a few test trenches in the garden of a friend of his, this garden has yielded Roman pottery in the past so there is potentially some interesting material awaiting us. The subject of more digging at Copped Hall is one dear to us all but we will have to wait a little longer before we can say anything on that one. One of the most exciting and important projects we will need to start work on in the not to distant future is the redisplay of our rooms and finds.

WEAG has two display rooms of its own and a third it shares with the Trust & the Genealogists, these have largely been put together piecemeal over the years and contain a wonderful array of our finds and tell some interesting stories but it is now

felt that it is the right time for a more holistic approach using all the knowledge we have

gained over the now 20yrs archaeological work that WEAG has done at Copped Hall and all of Norah and others historical research, it is hoped that a lot of members will take an interest in this project. Tony and I

had a brief discussion on the subject when we last met and plan to speak to Tina (Holloway) and the Trust to discuss the next step. All in all along with a fine lecture program (seamlessly transferred to zoom by our mysterious technical elves) and Alex's hard work on the newsletter there should be plenty to keep all us WEAG'ers happy and busy in the coming year. Our next meeting in person will be our AGM followed by a talk by our President Harvey Sheldon on Monday 11<sup>th</sup> April 7.15 for 7.30 start. Hope to see many of you there.

Lee Joyce

# WEAG CALENDAR OF EVENTS

## Lecture Program

2022 Lectures are accessible via Zoom at 7:30pm – All except for the Annual General Meeting and the Christmas Social which will be in the committee room at Woodford County High School, High Road, Woodford Green, IG8 9LA from 7:30pm.

Non-members are welcome to attend Lectures. A voluntary contribution of £2 would be appreciated from guests.
